Without limiting the foregoing, the Work shall consist of management, oversight, quality assurance, advice, and consultation (including without limitation, the preparation and provision of reports and other work product) together with, unless specifically excluded in a particular Work Order, the provision of all personnel, equipment, facilities, and supplies necessary to perform the Work. In the case of any conflict, the order of precedence from least to most controlling is: Firm's Submittal; a Work Order Proposal; a City purchase order; a Task Order, if any; a Work Order; this Agreement; Other Entity Requirements, if any (as defined and described in Section 8.10 below) with the interpretation most favorable to the City deemed to govern and control. Firm shall have no recourse from these requirements. If for any reason all or a portion of the Materials should not be considered a "Work for Hire" under applicable law, then the Firm shall be deemed to have transferred to the City, its successors and assigns, the Firm's entire right, title, and interest in and to said Materials and the legal rights therein, including but not limited to, copyright, included therein.

Firm shall not directly or indirectly, in whole or in part, assign or otherwise transfer any interest in this Agreement, including without limitation by subcontract, acquisition of assets, merger, consolidation, dissolution, or operation of law, ("Assignment") without City's prior written consent which may be withheld or conditioned in the City's sole discretion. Any written consent given by City shall not relieve Firm, or any, successor, assignee, or transferee, from the obligation to obtain Firm's consent prior to any future Assignment. Any individual or entity taking an Assignment with the City's consent shall expressly assume this Agreement in writing on the City's form, an executed original counterpart of which shall be delivered to the City prior to any Assignment. Any Assignment in violation of the foregoing shall be voidable at the City's option, and the City may elect to terminate this Agreement by providing written

8.3 Authorization. Firm represents to the City that it has authority under all applicable laws to enter into this Agreement, that all of the procedural requirements imposed by law for the approval and authorization of this Agreement have been properly completed, and that the persons who have executed this Agreement on behalf of Firm are authorized and empowered to execute this Agreement.

The laws of the State of Florida (without giving effect to its conflicts of law principles) govern all matters arising out of or relating to this Agreement, including without limitation, its interpretation, construction, performance, and enforcement. Any party bringing a legal action or proceeding against any other party arising out of or relating to this Agreement shall bring the legal action or proceeding in the United States District Court for the Middle District of Florida, Tampa Division or in any court of the State of Florida sitting in Tampa.

8.7 Entire Agreement; Estoppel and Waiver. This Agreement sets forth the entire agreement between the parties and there are no promises or understandings other than those stated in this Agreement. Exhibits to this Agreement shall be deemed to be incorporated by reference as though set forth in full herein. No waiver of any provisions of this Agreement shall be effective against the City unless it is in writing and signed by the Mayor or the Director on behalf of the City and such waiver shall only be applicable to the specific instance in which it relates and shall not be deemed to be a continuing waiver. The failure of the City to enforce any term or condition of this Agreement shall not constitute a waiver or estoppel of any subsequent violation of this Agreement.

Exhibit C

CITY OF TAMPA INSURANCE REQUIREMENTS

Prior to commencing any work or services or taking occupancy under that certain written agreement or award (for purposes of this document, Agreement) between the City of Tampa, Florida (City) and Firm/Awardee/Contractor/Consultant/Lessee/non-City party, etc. (for purposes of this document, Firm) to which this document is attached and incorporated as an Exhibit or otherwise, and continuing during the term of said Agreement (or longer if the Agreement and/or this document so requires), Firm shall provide, pay for, and maintain insurance against claims for injuries to persons (including death) or damages to property which may arise from or in connection with the performance of the Agreement (including without limitation occupancy and/or use of certain property/premises) by Firm, its agents, representatives, employees, suppliers, subcontractors, or subcontractors (which term includes sub-consultants, as applicable) of any tier subject to the terms and conditions of this document. Firm's maintenance of insurance coverage as required herein is a material element of the Agreement and the failure to maintain or renew coverage or provide evidence of same (defined to include without limitation Firm's affirmative duty to provide from time to time upon City's request certificates of insurance, complete and certified copies of Firm's insurance policies, forms, and endorsements, information on the amount of claims payments or reserves chargeable to the aggregate amount of coverage(s) whether during the term of the Agreement or after as may be requested by the City in response to an issue or potential claim arising out of or related to the Agreement to which Firm's insurance obligations hereunder may apply or possibly help mitigate) may be treated as a material breach of the Agreement. Should at any time Firm not maintain the insurance coverages required, City at its sole option (but without any obligation or waiver of its rights) may (i) terminate the Agreement or (ii) purchase such coverages as City deems necessary to protect the itself (charging Firm for same) and at City's option suspending Firm's performance until such coverage is in place. If Firm does not reimburse City for such costs within 10 days after demand, in addition to any other rights, City shall also have the right to offset such costs from amounts due Firm under any agreement with the City. All provisions intended to survive or to be performed subsequent to the expiration or termination of the Agreement shall survive, including without limitation Firm's obligation to maintain or renew coverage, provide evidence of coverage and certified copies of policies, etc. upon City's request and/or in response to a potential claim, litigation, etc.

The City reserves the right from time to time to modify or waive any or all of these insurance requirements (or to reject policies) based on the specific nature of goods/services to be provided, nature of the risk, prior experience, insurer, coverage, financial condition, failure to operate legally, or other special circumstances. If Firm maintains broader coverage and/or higher limits than the minimums shown herein, the City requires and shall be entitled to such broader coverage and/or higher limits maintained by Firm. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the City. No representation is made that the minimum insurance requirements are sufficient to cover Firm's interests, liabilities, or obligations. Required insurance shall not limit Firm's liability.

Firm acknowledges and agrees Firm and not the City is the party in the best position to determine applicability (e.g. "IF APPLICABLE"), confirm, and/or verify its insurance coverage. Acceptance by the City, or by any of its employees, representatives, agents, etc. of certificates or other documentation of insurance or policies pursuant to the terms of this document and the Agreement evidencing insurance coverages and limits does not constitute approval or agreement that the insurance requirements have been met or that coverages or policies are in compliance. Furthermore, receipt, acceptance, and/or approval of certificates or other documentation of insurance or policies or copies of policies by the City, or by any of its employees, representatives, agents, etc., which indicate less coverage than required does not constitute a waiver of Firm's obligation to fulfill these insurance requirements.
