### ADDENDUM 5

**DATE: April 28, 2023**

**Contract: 22-C-00001; Tampa Multimodal Network and Safety Improvements Project (West River District BUILD)**

Item 1 – The City is interested in increasing its Low Stress Bike Network and understands that the current concept plans may not achieve a low stress facility. Along Rome Avenue, firms may consider parking protected bike lanes, or standard protected bike lanes, as well as consider eliminating Parking Bays on one side or alternating the parking bay sides to allow for protected bike lanes.

All parts of the RFQ & RFP not in conflict with this Addendum shall remain in full force and effect.

Questions are to be e-mailed to [ContractAdministration@tampagov.net](mailto:ContractAdministration@tampagov.net).
